</table>

Barack Obama is our first African American president.

1.) Background:
(white rectangle)

- Place the white rectangle in a vertical position on the table

2.) Text:

- Glue the text near the bottom of the white rectangle

Barack Obama is our first African American president.
3.) Stripes:
(three red rectangles)

- Glue the stripes on the white rectangle in a vertical position as shown.

4.) Coat:
(larger royal blue rectangle)

- Hold the rectangle in a horizontal position; cut off the top two corners and round (See TLC Cuts for “hill cut” instructions)
- Glue the rectangle in a horizontal position above the text as shown.

5.) Shirt:
(white square)

- Fold the rectangle in half; hold the folded rectangle in a vertical position; cut on a diagonal line from corner to corner to make three triangles (See TLC Cuts for “triangle cut” instructions)
- Put a dot of glue on each point of the largest triangle and glue the shirt on the coat as shown.

6.) Tie:
(short red rectangle)

- Cut off the four corners; make the top two corners bigger and the bottom two corners smaller
- Glue the tie on the shirt as shown.
7.) Lapels:  
(smaller royal blue rectangle)

- Cut the rectangle on a diagonal line from corner to corner  
  (See TLC Cuts for “triangle cut” instructions)  
- Glue the triangles on the coat as shown

8.) Head:  
(light brown rectangle)

- Cut an oval;  
  (See TLC Cuts for “oval cut” instructions)  
  make the bottom two corner cuts bigger than the top two corners  
  [The pointed chin is the feature that makes the head look like Barack Obama]  
- Glue the head in a vertical position; overlap the shirt and tie as shown

9.) Ears:  
(smaller light brown rectangle)

- Fold the rectangle in half so you can cut two ears at a time  
- Hold the folded rectangle in a horizontal position; cut off the top two corners and round; if the pieces are connected cut apart on the fold line  
- Lift the head and glue the ears as shown

10.) Mouth:  
(shorter white rectangle)

- Hold the rectangle in a horizontal position; cut off the top two corners and round  
- Glue the mouth on the face as shown
11.) Eyes:
(longer white rectangle)

- Fold the rectangle in half so you can cut two eyes at a time
- Cut a pointed oval;
  (See TLC Cuts for “pointed oval cut” instructions)
  if the pieces are connected cut apart on the fold line
- Glue the eyes on the face as shown

12.) Details:
(black and brown crayons)

- ★When drawing the hair start by drawing a straight line a short distance from the top of the head. Draw a slanted straight line from the ears to the hairline. [The distinct hairline is a feature of Barack Obama.]
- Use the black crayon to draw the hair, eyebrows, and pupils
- Use the brown crayon to outline the mouth, draw the nose and face features

13.) Flag Sticker/Name:
(yellow crayon)

- Apply the sticker to the left lapel
- Turn your paper over and write your name with a yellow crayon

Text:
Barack Obama is our first African American president.
