what's in your pocket?

POCKETFUL OF POEMS
A Poem in My Pocket

A poem is like a daydream—
it can take me far away;
or bring back a little memory
of a very special day.

A poem is like a party—
full of fun and sweet surprise;
and every poem I read is just
a present in disguise.

A poem is like a mystery—
and I’m waiting to unlock it.
I’m never bored when I’m alone;
a poem is in my pocket.
